Dear Sir/Madam,

This letter is written to express my support for the online memorial initiative developed by "Beit Terezin" (Theresienstadt Martyrs Remembrance Association). See: <https://bterezin.org.il/en> and www.JewishMemorial.org.

I believe that the above mentioned initiative has historical, personal as well as national significance in preserving the memory Holocaust victims, and therefore deserves all the help it can get.

"Beit Terezin" is a Holocaust memorial museum located in Kibbutz Givat Haim. The project was started many years ago to preserve the memory of victims and survivors of Ghetto Terezienstat. The organization is a non –for –profit entity, and more information about its educational and other activities shows on the website.

The memorial initiative online will allow family members of Holocaust victims and organizations world-wide to self-manage a private memorial pages for the family and community, with pictures, text and video.
